

LEDER MODE Slovakia 25. – 27.2.2007, BRATISLAVA

The third edition of the International Exhibition of LEDER MODE Slovakia will take place on 25th February – 27th February 2007 on the fair ground INCHEBA Bratislava.

LEDER MODE Slovakia will be contracting and presentation exhibition - the **place of meeting of experts from footwear and leather branch.**

It will also show the latest fashion trends in these industries. As an integral part of the exhibition attractive specialized supporting events will take place.

All these facts create the excellent opportunity for foreign exhibitors to enter Slovakian market and to find good business contacts and to present their products in front of general and professional public.
